

Burnaby Village Museum: Heritage Christmas Celebration

The North Creek Kindergarten/Ex-Day students as well as the Anchor Point Elementary students will be visiting Burnaby Village Museum located at 6501 Deer Lake Avenue on **Friday, December 11th 2015**. Students will participate in the “**Heritage Christmas**” program where they will be touring all the exhibits in the museum, and riding on a vintage carousel. This program is a wonderful way for students to learn about aspects of life in a 1920's urban community.

We will be taking the school bus for this field trip. The bus will depart Anchor Point promptly 9:30am and pick students up from Burnaby Village Museum at 2 pm. The tour starts at 11 am and is approximately 2 to 3 hours long. Please check the weather on the day of the field trip and send your child to school with the appropriate clothing and footwear. Students should also bring a bagged lunch and a light snack.

We may have a few extra seats available on the school bus for any parents who are interested in attending the trip. Please let us know if you would like to join us. We would also like to send a special thank you to our Parent Support Group, who has funded the transportation to the museum.

Please detach the bottom portion and return this permission form in a sealed envelope with your child's name on the front by Monday, November 30th.
